Company Profile

- A 42-year-old Company having an office in Mumbai and warehouse in Bhiwandi
- Sparchem has been established as Leading Merchants and Multilevel Marketers in India in the field of speciality chemicals that includes chemical intermediates, pharmaceutical fine chemicals, pharmaceutical raw material and chemicals used in agro. Apart from this, we also deal in other sectors like paints and coatings, adhesives, solvents etc
- Focus on the imports and exports of the above, besides having served the domestic needs of our leading Indian clients with high levels of integrity, respect & recognition.
- It has been our constant endeavor to serve our customers with prompt services and supply, which helps in enhancing long term association
- We maintain optimum levels of stock & operational efficiency to cater to the needs of our esteemed customers for their urgent and immediate requirements.

Our Motto

Our motto is to serve the industry with quality products. We are always looking forward to excel ourselves by offering best and unmatched services & solutions.

Our customer centric approach helps us to give a cutting edge over our competitors. We are also persistent in the deliverance of quality products.
